

Edlund LP Series Digital Receiving Scales

Our low profile, high performance digital receiving scales are completely portable, utilizing your choice of 4 AA batteries or included dual voltage power supply. With your choice of 130 lb./60 kg or 330 lb./150 kg models to choose from, it's finally better to receive than to give.

- Large LCD display
- 4-load cell technology for better accuracy on off-center loads
- Solid state components
- Heavy gauge stainless steel platform
- Automatic push button tare
- Lightweight and fully portable
- NSF Certified
- UL listed

Our low profile receiving scales will take the weight off your operating costs.

LP-330
