

Edlund 350 Series Electric Slicer

Our outstanding electric tomato slicers also slice soft fruits and vegetables fast! You'll get clean-cut uniform slices every time, even with overripe, soft tomatoes. High-speed reciprocating stainless steel serrated blades cut cleanly with minimum pressure.

The only electric tomato slicer in the industry. Now improved with added safety features!

FEATURES:

- Available in three models to choose from $\frac{3}{16}$, $\frac{1}{4}$, $\frac{3}{8}$ slice thicknesses
- Easy to clean stainless steel and aluminum construction
- Additional blade and pusher assemblies can be purchased separately for greater flexibility. Please note: pusher assemblies must match blade assemblies
- Unit dimensions: 11½" (292mm) wide by 12½" (318mm) high by 17" (432mm) deep
- Comes complete with stainless steel wash guard for increased safety and sanitation
- Guard locks over blade cartridge for safe cleaning in dishwasher
- Factory set torque wrench is now included to prevent over tightening of blades
- Made in USA

Our Model 350 Series works better... no matter how you slice it.
