

Edlund Locking Knife Cabinet

Our KLC-994 Locking Knife Cabinet has all the features of custom fabricated units and comes complete with a removable Edlund KR-99 Knife Rack* already mounted inside. The extra heavy duty stainless steel cabinet has a keyed locking handle and features three integral padlock holes for extra secure storage. The unique top hinge design eliminates any chance of access when closed, and the front view window permits immediate knife inspection. Ideal for prison kitchens, schools, and hospitals or wherever secure knife storage is necessary.

- Keyed locking handle with interior latch, and three integral padlock holes
- White “shadowboard” background provides quick verification of knife inventory

- Front viewing window permits knife inspection without having to open the door
- Removable Edlund KR-99 Knife Rack already mounted inside.

- Made in U.S.A.
- NSF Certified

*Note: Knives not included
