

# Edlund NEW! BRV-160 W Submersible Waterproof Digital Scale

Our BRAVO! BRV Series Digital Portion Scales have become the new standard in affordably priced, high performance scales for Foodservice. Our new stainless steel, compact waterproof version is completely submersible, with an IP 67 rating, and features a larger, oversized platform as standard, allowing greater flexibility and weighing options in a smaller footprint. The sealed electronic components are protected from damaging grease, dust, and other contaminants, assuring BEST-in-CLASS performance, accurate portion weights, and a longer scale life. BRAVO!
